

Boambee Josephile Associales

The Boambee Josephite Associate group now numbers close to 50 members, both men and women, aged from 20yrs—80+ and with several people waiting to be officially enrolled early next year. The group is made up of parishioners and friends from the parishes of Sawtell, Coffs Harbour and Sth Grafton . We meet four times a year for a spiritual/social Saturday morning usually from 9am—12 noon at Mary Help of Christians Parish Annex in Sawtell.

The aim of our group is to imitate the spirituality of Mary Mackillop in our everyday lives and we take as our motto her famous saying "Never see a need without doing something about it".

If you would like any further information in regard to our Associate Group here in Boambee please do not hesitate to contact either Sr Fidelis or myself. You would be most welcome to any of our meetings which are advertised in the Sawtell Parish Bulletin.
