2021 National Count

Over the first 4 weekends in May we will be taking part in the 2021 National Count of Attendance at Masses being conducted by the Australian Catholic Bishops Conference National Centre for Pastoral Research (NCPR). The National Count is conducted in the same year as the Australian Census (to be held on 10 August 2021). The count will include people of all ages at Mass (including babies). It will be a simple headcount; no other information about individual attenders will be collected. The parish will also be asked to provide estimates of age and gender of Mass attenders.

Month of May - Rosary

The Pope has dedicated the month of May to praying the rosary daily for an end to the COVID-19 pandemic. Each day of the month has a different prayer intention related to the pandemic. Marian

shrines around the world, including St Mary's Cathedral, will be reciting the rosary and celebrating a prayer intention each day. A list of the shrines and prayer intentions may be found on the vatican website, together with links to watch live or afterwards. Go to www.vatican.va, choose the "VATICAN NEWS" tab and scroll down to "Shrines around the world link up for recitation of the Rosary"
