

Is There More to Life Than This?

WHAT IS ALPHA

Alpha is a ten week course where we meet to have something to eat, watch a short film presentation and then have a short discussion about the material.

There is no cost involved. Each session will last for approximately 2 hours. A suitably convenient time will be arranged starting in May 2024.

There is no pressure to attend every session and it is up to you to decide if Alpha is the right thing for you. You are not 'locked in' but we would ask you to let us know if you are not coming for catering purposes.

Help is needed to run this program. You can help by...

- Becoming a small group discussion Leader (Training and materials will be provided)

We are by the church, for the church & through the church

Our hope is for people to discover a relationship with Jesus through connection with their local church community.

- Praying for the group
- Helping with set up and pack away
- Offering to accompany participants
- Offering to provide food for our shared meals

It doesn't matter whether you are new to the Christian Faith or have been a Catholic all your life; the program offers something for everyone. There is no topic that is too simple or too complex to discuss.
